**TIMBERLAKE HIGH SCHOOL NEWSLETTER \* FEBRUARY 2020**

## **FROM OUR PRINCIPAL, MR. RYNE EBERLIN:**

We have completed a successful first semester at Timberlake High School! Our staff is very proud of our students' accomplishments. One area we focused on first semester was recognizing students for perfect attendance each week, month, quarter, and semester. We experienced improvement in our overall attendance with 49 students earning perfect attendance first semester. We will continue to focus on ensuring students understand the importance of attendance and punctuality.

Second semester is an exciting time for our students. Our Sources of Strength program will complete campaigns this semester to ensure we are united as a building with staff and students working together. We also encourage all students to get involved with a club or activity. Timberlake offers dozens of clubs and activities. Please contact THS if you have any questions about involving your child in our programs. The benefits for students who are involved beyond the classroom are significant for social, emotional, and academic growth.

Thank you for your support! We look forward to the second semester and the success stories for our Timberlake families.

### **Staff Highlight: Nurse Judy**

I am Judy Gerstenberger aka Nurse Judy. I think it is pretty funny that some people do not know my last name. I grew up in a small town in Oregon called Cottage Grove. It is just south of Eugene/University of Oregon, I have 3 sisters and 1 brother. My childhood dream job was to be a marine biologist. But I ended up getting a job as a nurses aid which led me to choose nursing. I went to college at Oregon Health and Sciences University in Portland, OR. and got my bachelors in nursing.

This is my 25th year as a school nurse with the Lakeland Joint School District. I worked as a public health nurse in Oregon prior to moving to Spirit Lake. I have been married to Mike for 45 years. I am almost as old as dirt. We have one daughter, Emmalee who graduated from THS in 2003 and is a pediatric nurse practitioner. Some things you may not know about me:

I love cats. I have had at least one cat for as long as I can remember. One of my cats lived until she was 22 years old. Currently I have a cat named Kitten and also my daughters cat, Hank, lives with us.

I have never colored my hair. I started turning grey in my mid thirties.

I do not like oysters in any shape or form.

I love to watch Jeopardy and most cooking competition shows.

I still have a rotary phone at home. It is turquoise.

**STAFF HIGHLIGHT**

Any athlete not doing a winter sport and wants to improve their speed and power, we are doing workouts to improve those areas Tuesday and Thursday - 2:50-3:50 in the weight room.

Please check the Timberlake Athletics page for schedule changes and updates.
