

The **TIGER'S ROAR**

TIMBERLAKE HIGH SCHOOL NEWSLETTER * FEBRUARY 2019

FROM OUR PRINCIPAL, MR. RYNE EBERLIN:

We have completed a successful first semester at Timberlake High School! Our staff is very proud of our students' accomplishments. One area we focused on first semester was recognizing students for perfect attendance each week, month, quarter, and semester. We experienced improvement in our overall attendance with this plan in place. We will continue to focus on ensuring students understand the importance of attendance and punctuality.

Second semester is an exciting time for our students. We will have a motivational speaker at Timberlake High School on February 26. This speaker will present to the student body on the topic of grit and overcoming adversity. We also encourage all students to get involved with a club or activity. Timberlake offers dozens of clubs and activities. The benefits of students who are involved beyond the classroom are significant for social, emotional, and academic growth.

Thank you for your support! We look forward to the second semester and the success stories for our Timberlake family!

Staff Highlight: Mr. Kluss

Brian Kluss is in his 30th year as a teacher. Brian teaches because he loves to help students realize the potential they have to improve themselves and make a better life for themselves and their families. He also likes to be involved with students outside of the classroom because he feels it gives you a different insight into what makes them tick and how to motivate them in the classroom. Brian started teaching in 1989, in Lakeview, Oregon (2 years) as a middle school math teacher, he also coached HS football, track, and Basketball. He then began teaching and coaching (football, basketball and track) at Elmira High School (4 years) outside of Eugene, Oregon. He met his wife, Janet, at Elmira and the couple moved to Preston, Idaho where they taught for 4 years. Brian was also the Head Football, Head Track, and assistant basketball coach. In 1999 he and his wife moved north to teach in the CDA area. He has been at Timberlake now for 20 years, teaching math and science classes. He has been an assistant football coach all of those 20 years, assistant track coach for 3 years, the Head Track coach 17 years, as well as the Head Girls Basketball coach for 1 year. He currently is also a volunteer assistant basketball coach. Brian and Janet have a son Dylan who will graduate from Timberlake this spring. Not surprisingly he is also involved in Football, Basketball and Track.

On February 26th Timberlake High School will have a motivational speaker (Josiah Sullivan) and musical guest (Maddie Zahm) presenting to the student body.

Josiah uses humor and an undeniably positive perspective to share his story. He strives to inspire students to overcome every obstacle and live the best life possible. Josiah has persevered through a major life-altering injury and lives depression-free. Through his active lifestyle of handcycling, half-marathons, and playing wheelchair rugby (aka "murderball"), Josiah has declared that anything is possible.

Josiah will be joined by musical guest Maddie Zahm. Maddie is a singer/songwriter from Boise Idaho who made it in the top 48 of American Idol.

POLICIES

Attendance

It is the intent of the Board of Trustees to have students attend school on a regular basis. Regular and consistent attendance results in increased learning. It is also the intent of the Board of Trustees to have the regular classroom teacher present whenever possible. A student's presence in the classroom with the regular teacher contributes to time on task, and time on task attributes directly to learning.

All students must be in attendance in each classroom 90% of the time when that class is in session. No credit will be granted to students missing more than nine (9) days per semester. The administration shall adjudicate absences where the total number of days is brought below 9 days through doctor's excuses and legitimate illness.

School officials shall warn a student and his parents in writing of an impending loss of credit due to excessive absences. School officials shall immediately notify a student and his parents in writing when credit in any class has been withheld. **Students will be required to make up time by attending an after school 2 hr. Make-up class where work will be made up from the day for every absence over the 9.**

After a student has been notified that credit has been withheld, he/she may file a petition requesting a waiver of the attendance policy in order that credit may be granted. Such petition shall be filed with the school principal within 10 school days of the notice of loss of credit. The principal shall notify parents and the student of a time for a review hearing to be held within 10 school days of receipt of the petition. The principal after hearing the petition, may request information from other school personnel and then shall approve or establish additional conditions for the reinstatement of credit. In this situation, credit shall be withheld until the completion of the semester and satisfactory fulfillment of the conditions established for reinstatement.

ASVAB (Armed Services Vocational Aptitude Battery)

Monday, February 11th beginning at 2:10PM during ACCESS

Students may sign up on the College & Career board across from MADD Coffee.

This is a great opportunity for Juniors and Senior students who may not be sure about their college or career. The test explores strengths, weaknesses, and helps you learn about careers regardless of your post high school plans. No recruiter may contact from the listing of student results. Results are **not** released to recruiting military services. If you are interested in the military, the ASVAB at THS is considered a "free-be". If additional questions about how the ASVAB is used in the military, please discuss with a military recruiter. See Ms. Carter if any questions!

Timberlake Honor Society

We have an awesome group of students who help to promote academics and service to the community. We meet during lunch a few times a month. This year, we have participated in the "Adopt a Highway" program, helped carry food for the Spirit Lake Food Bank, helped serve food and hand out tickets at the Athol Tree Lighting ceremony, helped with kids crafts at Rathdrum's "December d'Lights", and provided gifts for the Tree of Sharing.

Sounds like fun so you should apply!

In September, students can apply to become a member of the Timberlake Honor Society. Students must be in 10-12th grade with a cumulative gpa of 3.0 or better. Once the application has been submitted, then the staff evaluates the applicants in the area of character, leadership and service. After looking at the applications and evaluations, a group of 5 staff members will make the member selection.

There are 17 students in Honor Society this year. They are Makenzie Dean, Hanna Mendenhall, Grace Gregory, Emily Sloggett, Savannah Caudle, Claire Neelon, Abigail Peightal, Ashlyn Mallet, Mackenzie Wells, Brooke Jessen, Becca Roush, Travis Plunkett, Jessica Schell, Dylan Kluss, Daniel Pahl, Jared Nelson, and Sarah Pryor.
